

No car? No problem!

Don't let your lack of wheels keep you from getting to your doctor appointment, the pharmacy, grocery store, Flint Farmers' Market, water PODS, or Help Centers.

Michigan Department of Health and Human Services has partnered with MTA Flint to offer FREE rides to health and wellness destinations.

Eligible riders:

- *Must have an active and open MDHHS case number.*
- *Must contact their Medicaid/HMO before calling Rides to Wellness to book a ride.*
- *Do not need car seats — MTA will provide them for your infant/child.*
